CONFIRMATIONS

Sent on 2 October 2026 at 19:10 SAST. Nothing was signed online.

TICKED I have read how my information will be used, and what I have entered is correct as far as I know.

NOT TICKED You may send me occasional updates about the firm's services by email. (Optional — leaving this unticked will not affect your application.)

This is an application summary, not the antenuptial contract. The contract itself must be signed on paper by both parties in person before a notary, and registered at the Deeds Office within three months of signature. Ashgrove Attorneys will prepare the contract and arrange that appointment.
